OUR WEEKLY HIGHLIGHTS

Hello from Aydel the H.C!

Gan Izzy is off to a great start!! Week one was a blast with boating in Swanton, fishing in Waterbury, and even a foam-machine party on Friday!! We had an epic paper clip hunt, awesome clubs, swimming, arts and crafts, and much more. Can't wait for an incredible week two!

If you haven't joined our Cluster app, please let us know! It's the easiest way to share important day-to-day camp information as well as see daily photos!

PARSHA CORNER

The Parsha of the week is Korach! A man named Korach incites a mutiny amongst the Jewish people traveling in the desert because he was unhappy that Aaron and his family were chosen to be the high priests of the Holy Temple. Korach and his followers are swallowed up by the earth. Subsequently, Aaron's staff blooms into almond blossoms! This miracle showed the Jewish people that Hashem (G-d) wanted Aaron to be high priest and teaches us that it is so important to be respectful of our leaders.

FRIENDLY FIREFIGHTERS

By Sara

We had so much fun with the Sabras this week! We got to go swimming at the pool and decorated tote bags for our swimming things. They had so much fun fishing and swimming at the lake too! They each did something different in their clubs and all did a unique, fun activity. They collected so many paperclips and made a massive chain out of them! The boating trip was fantastic! The ride was super fun and we even got to steer the boat ourselves! Week one of CGI was amazing! Can't wait for another wonderful week!

BRACHOS BAKERS

By Stella

The Brachos Bakers had an amazing week! We had a blast making signs to hang around camp in art, going fishing, joining activity clubs, speeding on the pontoon boat, playing a huge game of belts, and celebrating Mendel Junik's birthday! Can't wait to see what fun we'll have next week!

We all had an incredibly fun week!!

DAVENING DOCTORS

By Baila

This week at Camp Gan Izzy Vermont, the Davening Doctors had loads of fun joining in all the super fun activities planned for us. Some highlights were swimming at Essex pool, splashing in the Waterbury Lake, and driving boats in Swanton, but most importantly, we learned how important it is to respect each other and the value of teamwork.
